

## Casper Mountain Biathlon Club

# Experience Biathlon

### We invite you to try Biathlon!

Biathlon is the exciting Olympic sport that combines rifle marksmanship with cross country skiing. The club uses electronic infrared rifles to safely introduce the sport to beginners.

### Event Information

Biathlon PE field trips can be scheduled seven days a week during school hours or after school. Students will receive instruction and guided practice in cross country skiing and biathlon marksmanship. Cross country ski equipment and trail passes are provided. We welcome students of all abilities; adaptive equipment is available for students with disabilities or special needs.

If you are interested in scheduling an event or would like more information, please contact Cathy at [info@caspermountainbiathlonclub.org](mailto:info@caspermountainbiathlonclub.org) or call 307-215-4054. CMBC is a 501 c 3 nonprofit organization, a Paralympic Sport Club, a PSIA member ski school and a member of U.S. Biathlon.

“In my classes...I try to offer as many lessons in health, physical fitness and lifetime activities as I can to create a love for life and longevity for my students. When I heard about the opportunity for our students I jumped on it! After a day on the trails I had more students talking about the biathlon trip as their favorite trip ever than on any other trip I have taken them. Thank you Casper Biathlon for giving us this great opportunity for learning and fun!”
